

## Structure of the Renewables 2013 Global Status Report

### **Sections:**

1. Executive Summary
2. Global Market and Industry Overview
3. Market and Industry Trends by Technology
4. Investment Flows
5. Policy Landscape
6. Rural Renewable Energy
7. Feature: System Transformation (in industrialised countries)

### **Sidebars:**

1. Jobs in Renewable Energy
2. Sustainability Spotlight: Hydropower
3. Investment Trends in Early 2013
4. Innovating Energy Systems: Systems in Developing Countries (focus on Minigrids)
5. Renewable Energy & Energy Efficiency
6. Regional Spotlight: Africa
7. REN21 Renewables Global Futures Report
8. RE Policy: fossil fuel subsidies
